NEXT REGULAR SOGNA ISSUE

Dear Friends,

You will receive the next regular SOGNA Issue in December 2001. It will be a beautiful edition. In addition to your letters and our regular columns, we will include new and exciting features with more articles in English. A lot of you have made that request.

I still need your help with the mailing list. If you look above and on the front page, you can see that my address list has grown considerably, but it still contains errors and it is still incomplete. Those names labeled with *, are names given to me without address and I do not know how to reach those friends. Please look at those names and, if can, send me their phone number, address or someway form me to reach them.

Organizing SOGNA takes a lot of work, but it is also very rewarding. Your cooperation and acceptance had been absolutely splendid. With perseverance, patience and hard work, SOGNA is becoming the true voice of the Gioiesi in North America.

Thank you Paesani,

Severino D'Angelo

OCTOBER 27TH REUNION CELEBRATION

Our Gioiesi in North America reunion celebration will be Saturday, October 27. At 2:00 pm, in the church of the Holy Face Monastery. Don Fernando Scarpa will start with the celebration of the Italian Mass. Later at 5:30, following other activities, we will have dinner at Michele's Restaurant.

To assure maximum participation, the date has changed from our original plans published in the Summer Issue of Sogna. In addition to the Italian Mass and the dinner, the day will be full of exciting activities. For example, at both the monastery and the restaurant, we will...

- **Show a video about Gioi recorded earlier this year.** Whether you have never been to Gioi or you have just returned from our hill top town, you will enjoy watching this short video. You will see the town as it is today as well as learn about its history. You will meet some of Gioi's residents; see how they spend their pastime and how some of them still earn a living. It is all in English.
- **Sign a Gigantic Christmas Card. The card will be sent to the people of Gioi** for the Holidays. The card will be made into a poster to be displayed all over Gioi. It will be a great present from all of us in North America to the Gioiesi living in Gioi. It will reinforce our ties and will bring us closer to our relatives and friends living here and in Italy.
- **Be able to see and order the first ever Gioi Calendar for 2002.** The calendar will include a beautiful color picture of Gioi. American holidays, Italian holidays and those holidays unique to Gioi will be included in the calendar. Remember le *feste di Gioi* such as Schito, San Nicola, Rosario and others? This calendar will report them all on the correct dates. With this calendar, you no longer have to ask your friends: "When is San Nicola or il Rosario this year?"

Of course, you can order your personal copies of the video, the Christmas card and the Calendar. We need to have your reservation for the events, **no later than October 1st**. **Please reply whether you are planning to come or not**. Send us your signature for the Christmas poster and any new addresses that you can give us. Please plan to come and spend the entire afternoon and evening with us. However, if your time is limited, select your events as follows:

2:00 pm to 3:00 pm—Holy Face Monastery—Italian Mass.

3:00 pm to 5:00 pm—Holy Face Monastery—Gioi Video and conference with Gioi.

5:30 pm until Late—Michele's Restaurant—Dinner and music.
